Ms. Christine Irvine
Office of General Services
NYSPRO
38th Floor, Corning tower
Empire State Plaza
Albany, NY 12242

Dear Ms. Irvine: *Christine*

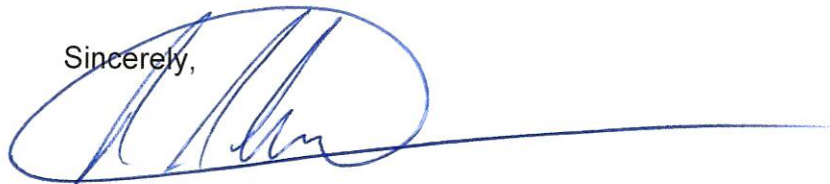

New York State Industries for the Disabled, Inc. is applying for preferred source designation and price approval for the following item: D4848, 30 Gallon Spill Kit & D4849, 55 Gallon Spill Kit. The proposed price for NYSID item #D4848, 30 Gallon Spill Kit is \$172.64 & the proposed price for NYSID item #D4849, 55 Gallon Spill Kit is \$303.61. These items would be for use by all State agencies.

For your review and approval please find enclosed the Commodity Application and Revision Forms, the Cost Analysis sheets and the Value Added Labor Statements along with other supporting documents.

Should this item be approved, it will be supplied by Montgomery County ARC/Liberty Enterprises, a member agency duly authorized by the Commissioner of Education to perform as a preferred source.

Thank you for your time and attention.

Sincerely,

Brian Schneider
Vice President of Contract Administration

NYSID MEMORANDUM

TO: OGS
FROM: ROERT NADAL 
SUBJECT: NYSID ITEMS (30 GALLON-D4848 & 55 GALLON D4849)
DATE: 7/1/2016
CC:

NYSID is submitting paperwork for Spill Kits (30 gallon & 55 gallon). The market comparison used is from the NYS Perfect Commerce Website. NYSID's prices for the 30 Gallon Spill Kit is \$172.64 and the 55 Gallon Spill Kit is \$303.61. The NYS contract price for the Stardust/New Pig 30 gallon Spill Kits range from \$353.20 - \$602.00 and some items/quantities do not exactly match. The NYSID 55 gallon Spill Kit is not on the NYS Perfect Commerce Website, therefore we have used a range of pricing for the 52 gallon & 60 gallon Spill Kits from New Pig's pricing on the the NYS Perfect Commerce Website which range from \$833.60 - \$975.20 and some items/quantities do not exactly match.

The NYSID price is within 10% or less than the NYS Perfect Commerce Website. Any questions, please let us know.

City, State Zip: _____ E-Mail: _____

Will the commodity be produced, manufactured, assembled or packaged (Circle as many as apply) by the preferred source?

Location where the majority of the manufacturing will be performed: Liberty Enterprises

Estimated Annual Sales Volume: \$10,000

Sample of Commodity Enclosed -Required with submission

III. Disabled Labor Information

Effective 4/1/2000 member agencies are required to maintain a minimum disabled: non-disabled employment ratio of 75%:25% for contracts employing more than 10 Full Time Equivalents (FTEs), and a majority of disabled employees for smaller contracts. Across all NYSID Contracts a 75%:25% ratio must still be maintained.

(FTEs are computed by taking the estimated number of labor hours required to produce the item and dividing it by the number of labor hours in a "standard" year. For computing purposes we will use a standard of 1950 hours, or 1950 annual hours. (7.5 X 260 days per year = 1950 "standard" annual hrs)

Estimated annual direct labor hours required to produce this product: 035126 1950 = 000018 FTEs

Estimated annual **disabled** direct labor hours required to produce this product: 026345 1950 = 0000135 FTEs

Percentage of direct labor provided by persons with disabilities:

Est. annual **disabled** direct labor hours: 026345 Est. annual direct labor hours: 035126 = 75 %

Estimated number of disabled persons to be employed 2 + 1

IV. New Product Information (If a Revision, Skip to Section V))

Names and addresses of proposed suppliers of raw materials:

MBT Sorbents, NJ (current approved Liberty supplier)

Fremont Industrial Corp., 2200 Shames Dr., Westbury, NY

New York State Industries for the Disabled, Inc.
Commodity Application and Revision Form

Detail Efforts to obtain New York State and/or MWBE Suppliers: (Attach additional explanation if needed)

NA- Vendors listed are currently approved Liberty vendors.

Description of benefit to the State resulting from the preferred source provision of this product:

Providing employment to NYS workers with disabilities.

V. Product Revision (If New, Skip to Section VI)

If a revision, NYSID item #: _____ Current Price: _____ Product Unit: _____
Date of Approval: _____ Proposed Price: _____ Product Unit: _____

Reason for revision: ☐ Change in price of raw materials ☐ Change in labor costs
☐ Change in supplier(s) ☐ Other

Value Added Statement for Services

MEMBER AGENCY: Montgomery County ARC/Liberty Enterprises

USER AGENCY: Statewide

SERVICE LOCATION: Work Center

Commodity: 30 Gallon Spill Kit

- D 4848

DIRECT LABOR WORKFORCE

TOTAL FULL TIME EQUIVALENTS:

0.020068

TOTAL DISABLED WORKFORCE (Full Time Equivalents):

0.015051

Based upon information submitted by the aforementioned member agency, the value added for the services in this application complies with the minimum Direct Labor Workforce requirements as set forth in the New York State Procurement Council Preferred Source Guidelines as follows:

1. The total direct labor workforce involved in this application is comprised of more than 10 employees (full time equivalents). A minimum of 75% of these employees are disabled.
2. The total direct labor workforce involved in this application is comprised of more than 10 employees (full time equivalents). At this time less than 75% of the employees are disabled. We are requesting a period of no more than 6 months following the approval of this application by the NYS Office of General Services in which to implement the 75% disabled worker requirement. A revised value added statement will be submitted at that time confirming that 75% of the employees are disabled.
- X 3. The total direct labor workforce involved in this application is comprised of 10 or fewer employees (full time equivalents). A majority of these employees are disabled.
4. This is a partnership agreement. The required minimum percentages (51%), of employees are disabled.
